INTRODUCING BRAIDED RIVER

DESIGNED TO DELIGHT, CRAFTED TO PERFECTION

Cavalier Bremworth carpet is so much more than a luxurious floor covering. It's the culmination of many talents, influences and generations of experience.

Our masterful designers intimately understand the medium of fine New Zealand wool and how to bring its unique properties to the fore. Taking cues from our country's natural textures and patterns, we fuse heart, head and hand to create designs of unique style and elegance.

The process comes to fruition under the expertise of our artisans – crafting, refining, perfecting our designer's vision to produce carpets that deliver a world of difference to interiors.

Braided River has an inspiring natural beauty. It uses unique dye techniques and traditional yarn spinning to create innovative effect on your floor. The soothing repetition of these gently winding curves provides a peaceful rhythm and calming effect for any home.
