### Installation:

It is recommended that this carpet be installed in accordance with AS/NZS 2455.1:2007

### Permanent Pile Reversal:

Shading or permanent pile reversal may become apparent in some styles of carpet.

This is an inherent characteristic of cut pile products and does not constitute a manufacturing defect. Shading does not affect the wear or durability of the carpet.

**The below detailed technical specifications are available upon request as separate PDF files:**
