Installation:

It is recommended that this carpet be installed in accordance with AS/NZS 2455.1:2007 unless otherwise specified

Permanent Pile Reversal:

Shading or permanent pile reversal may become apparent in some styles of carpet.

This is an inherent characteristic of cut pile products and does not constitute a manufacturing defect.

Shading does not affect the wear or durability of the carpet.

Warranty:

Please refer to Artisan's warranty guide

Maintenance:

Seek professional advice as required
